The parties hereby jointly file this Third Joint Status Report regarding the status of the stay of proceedings in this case. By Order dated February 19, 2010, the Court granted Defendants' Motion to Stay Proceedings or Alternatively for Stay of Discovery (Docket No. 36) due to the pending criminal case against Defendant Ryan Jindra in the District of Nebraska (*U.S. v. Ryan M. Jindra*, 8:10-cr-00043-LES-TDT). On July 12, 2010, the parties filed their First Joint Status Report as ordered by the Court. *See* Joint Status Report, Docket No. 55. On October 12, 2010, the parties filed their Second Joint Status Report. *See* Joint Status Report, Docket No. 59. In both reports, the parties indicated their views that the stay should remain in place. After the most recent status report, the Court continued the stay and ordered the parties to file another joint status report on January 28, 2011. *See* Docket No. 60.

The criminal case against Defendant Jindra continues to progress. On December 27, 2010, Defendant Jindra filed a motion to dismiss in the criminal case based on alleged duplicity

concerns. On January 19, 2011, the United States filed its response. The case is expected to be set for trial shortly.

The parties currently remain in agreement that the instant case should continue to be stayed. The parties request that the stay continue and that the parties be ordered to file another Joint Status Report concerning the stay of proceedings on or about April 28, 2011, approximately 90 days from the date of this filing.

DATED: January 28, 2011

Respectfully submitted,
